

BOSCH

Invented for life

QuietCast[™] Brake Rotors

QuietCast™ Brake Rotors

have innovative, high quality materials that provide consistent, safe, and long lasting performance.

Key product features

- 1 Aluminum-Zinc coating protection prevents rust and corrosion, extending life and provides better heat dissipation
- 2 OEM-Style vane configuration pulls heat from the inner part of the wheel, away from the caliper
- 3 100% balanced for smooth operation

Other product advantages

- ▶ Industry low run-out and DTV specifications enables a smooth pedal feel and insures quality
- ▶ Full coverage for Domestic, Asian and European vehicles
